## Let Unbreakable Memories Create & Ship Directly to Your Customers

Now that we have given you all the details on wholesaling with Unbreakable Memories, there is one important question to ask yourself. **Do you want to handle/manage product inventory and shipping?**

If the answer to that is an overwhelming NO then let Unbreakable Memories do the creation and fulfillment for your customer orders. Here are some details on how drop-shipping works with Unbreakable Memories.

### Step 1: Initial Consultation

Once we receive your inquiry, we'll schedule an initial consultation. This is where we get to know you better, understand your needs, and discuss how our products can enhance your brand. It's a two-way conversation to ensure a perfect fit.

### Step 2: Customize Your Order

We believe in the power of customization. Together, we'll curate a selection of Unbreakable Memories products that align perfectly with your brand and audience. Choose from our range of jewelry, t-shirts, candles, journals and more, and let's make them uniquely yours.

### Step 3: Ordering and Payment

- **With drop-shipping, there is no product minimum.** Therefore, the pricing of the products do not meet the qualifications for wholesale pricing on the previous pages. Instead, the product will be at the suggested retail price and a **discount of 30%** is offered to you as the business for the sale.
- Orders can be placed through our user-friendly website in which a **discount code** will be provided to you for the order. You will include the customer's name, address and phone number in the shipping fields which confirms you have read and agreed to the terms and conditions within this document.
- Any applicable taxes or fees will be clearly communicated during the checkout process based on the shipping address for the customer.
- When items are shipped to your customer, Unbreakable Memories has no contract between the receiver of these goods (your customer) and Unbreakable Memories. In this case, Unbreakable Memories cannot mediate any aspect of the sale between the drop-shipper and your customer of the items shipped unless a claim needs to be filled with the chosen shipping fulfillment for damages incurred during transit.
- Due to the customized nature of the products, there are no refunds.
- It is your responsibility to make sure that any legal issue which may arise between you and your customer is applicable to your own set of terms & conditions used by you when selling items using the Unbreakable Memories drop-shipping service. Unbreakable Memories will not accept any responsibility for legal issues which may arise as a result of the absence of any terms & conditions or any other legal document required by law or otherwise between you as the drop-shipper and your customer.

### Step 4: Contact Us

Reach out to us if you have any additional questions throughout the drop-shipping process. You can do this by sending an email to [katrina@unbreakablememories.com](mailto:katrina@unbreakablememories.com) or filling out the contact us form on our website. We're excited to connect with you and learn more about your business.

### Step 5: Review and Sign the Agreement

We'll provide you with an invoice that outlines the terms and conditions of our partnership. Carefully review this document and, if everything looks good, process payment. This formalizes our collaboration and ensures a smooth partnership.
